

SUPERMARINE RUGBY CLUB

2 Senior sides, ladies, girls and youth sides for all ages located near Swindon, Wiltshire

THE SEASON SO FAR....

The ladies now into their 2nd year at the championship level have played 8 games and have managed 3 wins. This year sees the RFU allow ladies games to be played on a Saturday. So watch this space for double header games at Supermarine.

The senior mens are currently still looking for their first win of the season. With injuries and unavailability the men have struggled to field a consistent team. Recent performances have shown the coaches that we are more than capable of moving up the league.

The M&J section have had 4 fixtures and attended 2 festivals at Royal Wootton Bassett and Salisbury.

RFU GRAND DRAW 2018/19

Tickets for this seasons RFU grand draw are available from your sections secretary for you to sell. Each ticket costs £1 and Supermarine RFC will receive 85% of the value of tickets sold. This is a fantastic fundraising opportunity for the club.

Last year the club raised £1600 and the monies went towards buying a set of mobile floodlights to help out with pitch usage as we currently only have 1 training pitch which is floodlit. Some of the monies also went towards pitch maintenance

The monies raised from this seasons sales will be used to fund permanent lighting on pitch 2. This will enable more pitch rotation during the winter months and increase our capacity for evening training.
